Motion to file document under seal granted

Appellant's application, filed on February 26, 2010, to file Arguments 1 and 2 of his reply brief under seal is granted. (Cal. Rules of Court, rule 8.46.) In ordering the sealing, this court makes the findings required by California Rules of Court, rule 2.550(d). Appellant's counsel is ordered to serve a copy of the document containing the sealed arguments, along with a copy of this order, on respondent's counsel, who is ordered not to publicly disclose the sealed arguments unless and until there is a further order of this court. This order is without prejudice to any subsequent motion that either party may make under California Rules of Court, rule 8.46(f) to unseal the sealed arguments based on a showing that sealing is no longer necessary under California Rules of Court, rule 2.550(d).
